# GRIST

Grist is the new portable venue  
in the ACT Natimuk stable.

A quirky and reimagined field bin, that speaks to the landscape it lives in and takes events to new heights. Suitable for arts projects be they installations, exhibitions and so perfect for projections. As a DJ booth lit up, it hits the mark.

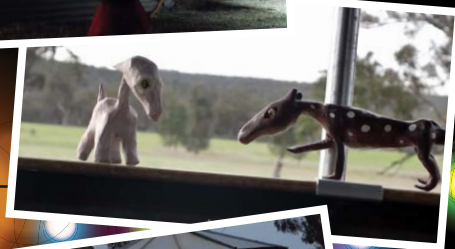

Needless to say, it fits beautifully as an outside bar at any event.

ACT Natimuk will be using Grist in many of the arts events it runs in Natimuk.

Keep an eye out on our social media or the events page on our website to check out Grist's next appearance.

And we're happy to share the love of Grist!

It's available to hire on site at the Natimuk Soldiers Memorial Hall or can be moved to suitable locations in the Nati environs.
